608-696-6420

Goals

- Create a website for this business that shows its products, services, and attractions properly.

Creative direction

Concept

A fun and inviting website that showcases both the variety of flowers and the eagles nest on the farm.

Creative outputs required

A fully functional website showing a list of plant types, the hours of the business, and directions to the shop.

Fonts

I am thinking either Playfair Display, or Gelasio
